

## Consultant Programme Manager

We are looking for a short term (3-6 months) placement for a construction programme manager for Zambia. This is development not emergency work to assist our community infrastructure and training programme now in its 4<sup>th</sup> year.

Job Role: to oversee preparations for five new community building projects (schools and clinic) in Zambia.

Location: Ndola, Zambia with substantial local travel

Timing: from March/April 2012

Contract timeframe: 3 months initially, extendable pending work permit/need

### Key Tasks:

- Recruitment and induction of local builders/contractors
- Finalisation of drawings/BOQ/budgets
- Appointment and Supervision of our clerks of works (for larger projects as appropriate)
- Supervision of site set-up and procurement
- Co-ordination and set-up of vocational training programme

### Remuneration:

- You will be considered self-employed and responsible for your own tax affairs
- Fees of £2000 - £2,500 / month
- Accommodation allowance depending on arrangements
- Economy return flights to Zambia
- Medical insurance cover

We are in the process of recruiting a national for this post to take over from the consultant. We consultant will work closely with his/her successor for as long as required.

### The right person will:

- Have plenty of construction project management experience
- Be familiar with operating in Africa.
- Experienced in soil based materials
- Experience of training in building skills an advantage
